

Evolution CLX

Buttress-Free Oval Pool

A powerful solution inspired by technology

The Evolution CLX oval pool system is available with the Buttress-Free Oval system. This streamlined system was designed to use less space in your backyard—a structurally simplified design with the superior strength and durability of our traditional construction that is both efficient and attractive.

Beauty and performance in perfect harmony

Superior Skimmer

The Evolution CLX pool comes standard with a wide-mouth skimmer system for superior skimming action and a cleaner pool. The Seaspray Evolution CLX is by far a superior choice.

Creativity fueled by Technology. It's the wave of the future.

Movement- the Dynamic Solution

Our technical engineers worked side-by-side with our design staff to integrate state of the art technology with the latest design trends. This re-engineering led to the creation of a technologically and aesthetically superior above ground pool. Rarely have technology and design come together so beautifully.

-  **Coatings**
Galvanized, Bonded, & Plastisol for life-long resistance against nature's elements
-  **Top Rail**
Giant 9" wide with torsion rigidity built in with the embossed curve
-  **All parts integrated**
Completely integrated structure for seamless super strength
-  **Emboss Curve**
Strength 'curve' emboss gives impact-resistant strength
-  **Top Cap**
Sculpted resin for safety and an aesthetic finish
-  **Asymmetric Design**
Unequaled strength and stylish beauty
-  **Evolution 'curve' Advantage**
Curved design adds elegance and strengthens pool structure

The simple 'curve' symbol incorporated into the Evolution CLX's design is a fun aesthetic detail that adds structural strength at key junctions in the pool. The 'curve' embodies the integrated engineering strength and structurally simplified design that makes the pool structurally stronger with the added benefit of stylish beauty.

Engineering Strength Wrapped in Beauty.
